

THE SPOILS SYSTEM WORKS IN NEVADA

Some of the Democratic papers of the state are raising the cry that if Mr. Hughes is elected the Democrats will be turned out and Republicans installed in their places, putting it in the light that "to the victor belong the spoils."

Let us glance over the record for a few moments on the "spoils" question. Under all former Republican administrations, the legal advertising that was to be given out was allowed to be controlled by the homesteader in the case of final proof advertising, or by the applicant for patents on mining claims. The patronage was therefore divided between the Republican and Democratic papers.

But what was the condition under the Wilson administration. Within 60 days after the inauguration of Mr. Wilson, an order was issued from Washington directing the register of the U. S. Land office at Carson City that all legal advertising passing through his office should be given out "only to papers in harmony with the administration."

The homesteader must foot the bill for advertising his final proof, but the work must go where it would help and benefit the Democratic administration. This order was denounced at the time as the most highhanded piece of political spoliation ever foisted upon an intelligent public, in the fact of the liberal system previously in vogue in this state under the Republican administrations.

If it stopped here, it would not be quite so bad, but it is a notorious fact that with very few exceptions the appointments made by the Woodrow Wilson administration went to those who had rendered political assistance, regardless of their ability to fill the positions.—Churchill Eagle.

BREAKING INTO SAFETY DEPOSIT

(By Associated Press.)
CHICAGO, August 22.—After a day of riotous scenes about the Adolph Silver & Co., private bank, for which a receiver was appointed by the federal court yesterday in view of the disappearance of its director, Max Silver, hundreds of depositors who flocked about the closed bank were relieved by the announcement that Max Silver did not have access to the 500 safety deposit boxes in the institution.

Jacob Wilson, chief clerk at the bank, told the crowd the contents of the boxes would be found intact. At the direction of the receiver two men today began drilling through the floor of the bank in order to get into the vault. No member of the Silver family could be located in Chicago today and none of the bank employees knew the combination of the vault.

DEFINING DISTRICTS OF NEW FARM BANK

(By Associated Press.)
AUGUSTA, Maine, August 22.—The first hearings to determine the apportionment of district for location of the banks under the new federal farm loan law were held here today. The session was largely attended by representatives of banking and agricultural interests and from several other states. Secretary McAdoo presided.

SWIMMING CHAMPIONSHIP TRIALS AT OCEAN PARK

(By Associated Press.)
OCEAN PARK, August 21.—Ludy Langer, of the Los Angeles Athletic club, won the national mile swimming championship here today, establishing what local officials declared to be a new world's record of 23 minutes and 11 seconds for the distance. Norman Ross, Olympic club, San Francisco, was second, 11 seconds later, and Elliott Burns, San Diego, was third.

SCRUBBING WATER TANKS ON MOUNT BROUGHER

The task of purifying the second high pressure fire tank began today. The first tank has been thoroughly cleaned and pure water is now being pumped in. The water in the second reservoir will be released tomorrow morning and the inside of the tank scrubbed by four men. The first tank will be kept full, in case of emergency.

KNIGHTS OF PYTHIAS

The Knights of Pythias elected delegates last night to attend the grand lodge K. of P. convention, to be held in Reno, September 21 and 22. The representatives are W. W. Booth, C. D. Zeigler, T. A. McDuff, George L. Dilworth, C. G. Bevis, Fred Steen, W. H. Thomas and W. G. Walker.

As long as men continue to marry for a rest, and women continue to marry for excitement, the sweet domestic life is bound to prove a double disappointment.

YOUNG MURDERERS MAKE CONFESSION

LADS STILL IN THEIR TEENS KILL EDUCATOR IN COLD BLOOD

CARSON CITY, August 22.—Harold and Lynn Lovelace, brothers, have confessed killing Prof. F. T. Hamill, vice principal of the Carson City High school, last week, near his cabin, 45 miles south of Twin Falls, Idaho, with his own rifle, loaded with soft nosed bullets. The boys are held in custody awaiting trial. The lads took Hamill's horse, wagon, money, provisions and gun, and started on a wild and hazardous ride of 120 miles, lasting six days, before they were apprehended. They had eight guns and revolvers which they had stolen from other ranches along the way. The deceased was a native of Ligonier Valley, Penn., about 30 years old, vice principal of the Carson High school, professor of science and manual training and leaves a young wife, formerly Miss Jessie Mitchell, of Oakes, N. D.

MISS McQUILLAN ENTERTAINS

A delightful party was given by Miss Mary McQuillan last evening at her home on University street. The home was beautifully decorated for the occasion. The guests were William Iden, William Cuddy, John Cuddy, John Harrington, James C. Martin, Richard Shea and Oscar Wiley; Misses Leana Baum, Addie Murphy, Loretta Walsh, Mary Harrington, May Kimball and Helen Mitchell.

BATTLE MOUNTAIN MAN COMMITS SUICIDE

Frank Larsen committed suicide Sunday evening in Battle Mountain by shooting himself in the head with a 30-25 rifle. Andy Lepetich, caretaker of the Jenkins estate, discovered the body several hours after the fatal bullet was fired. A coroner's jury rendered a verdict of suicide. The deceased is said to have relatives in Weiser, Idaho.

Why shouldn't the Standard Oil Company make the best oil—with over 40 years experience in refining—with unequalled plant equipment? And Zerolene is scientifically refined from selected California crude—**asphalt-base**. Prominent authorities have recently declared that an oil correctly refined from asphalt-base crude can be made not only equal but superior to paraffine-base oils. Next time you empty the crankcase refill with Zerolene. Dealers everywhere and at service stations and agencies of the Standard Oil Company.
